Women's Conference 2008

Schedule Speakers

Praise the Lord Everybody! We would like to formally introduce ourselves. We are Pastor Greg Holsey and Sis. Brenda Holsey of Family Life Center Church.

Shawn Johnson is an American gymnast. She is known for her power and executing moves that few other gymnasts have been able to manage. She competed at the 2008 Summer Olympics winning three silver medals in the floor exercise and all - around events. She helped the U.S. women place second in the team competition and won her first gold medal during her performance on the Women's Beam.

The first time she walked into the gym and expressed an interest in developing her skills her Coach Liang Chow asked her this question; how good do you want to be? She responded, the best!

The Lord is asking the same question of the Women of Alabama today. God wants to know; "How good do you want to be?" He is ready to teach us how good we can be, through his Word. Come and join the women of Family Life Center Church and experience the Word of God like never before and leave knowing you're equipped to be God's very best.
